

Three Rivers Walk To Emmaus

Twenty Years of Walking with Jesus

March 2012

FROM THE COMMUNITY LAY DIRECTOR

I am thankful. I am thankful for God's love and grace. I am thankful that everyone in Emmaus plugs in their coffee pots, makes their coffee and serves it as a gift of agape. It is a small miracle that any Emmaus weekend is ever planned much less produced. We are asking a group of sometimes perfect strangers to work together to achieve a life changing experience for as little as nine people. So, I am asking for a gift of agape. I am asking for your prayers for the board in the guidance of the community, for your prayers for the Spring walk teams, and for your prayers for the community as a whole. Love and Peace Maxine Ellis Community Lay Director TRWE #30

FROM THE COMMUNITY SPIRITUAL DIRECTOR

Lest I forget to share this note with you, I'd like to reflect on three events, one just past and two in the near future.

On March 9, we had an all community gathering at Ingomar UMC; we used the Sanctuary and were blessed by how much it added to our service. During this gathering, we worshipped as a body and glorified the Lord Jesus Christ. We shared in the Word, we remembered our fellow pilgrims who now sing before the Lord, (**See names on page 8**) we commissioned our teams for walks 81 and 82 and we broke the bread and shared the cup. Truly, Christ was re-presented in power and love. There are so many people responsible for this time of worship . . . yet truth be told, it was God's time and to God be all the glory. So I want to add my thanks to the community which made this all possible. We are now in the season of Lent – and (don't anticipate) that is preparation for the great celebration of Easter. In the Communion Liturgy, as part of the Great Thanksgiving, we recited the mystery of the faith: "Christ has died, Christ is risen, Christ will come again"-- what a glorious summary of Easter. I will thrill in my heart as God gives me the honor of telling the old story to my congregations. And as I tell the story of the Emmaus Walk, I will remember my walk and the walks to come. Each one puts flesh on God's truth of Easter. You and I refer to that as Agape, God's divine self-giving love. AND you and I have been graced by our Lord Jesus Christ to be that Agape Love with flesh on.

Can you guess the third event that is on my mind? No, it isn't our switch of time where we lose an hour. By the time you receive this we will have endured that trauma. What I am referencing are the Walks #81 and #82. The teams are assembled and have been training. Satan has done Satan's level best to disrupt things, our families have been attacked and we have felt the trials of Satan's anger – but the walks will go on and God will be glorified. Will you pick up a share of the burden? Will you sponsor a new pilgrim? Maybe you could contribute to the scholarship fund or anonymously help out a team member or pilgrim. Don't forget the books for the book table, don't forget to pray and don't forget the many things that need to be done while the Walk is moving to Emmaus. Send off, Candlelight and Closing are such powerful witnesses; please add to God's glory with your presence.

It is an honor to walk with you as we travel to Emmaus .
Love, Bill Saxman Community Spiritual Director

4th-day Fitness Plan

With Spring arriving, many of us are looking for that spark to jump-start us out of those winter doldrums and to find more ways to get active. I'm here to let you know that the upcoming walks offer a plethora of opportunities to do just that.

Meal-servers, Bathroom Cleaners, and Thursday and Sunday Angels get a balanced workout of both upper- and lower-body muscle groups while they get to provide the Pilgrims much-needed sustenance, a clean and safe environment, and a seemingly seamless start and finish to their weekend.

The Prayer Vigil provides an opportunity for a little spiritual toning as you spend time conversing with God about the Weekend's participants and goings-on.

If you come out on Saturday night, not only will you fine-tune those vocal chords, but no doubt that those around you

will notice a light-ness and a healthy glow about you.

And if you are looking for new ways of stretching, I can strongly recommend the Sponsorship route. Pray hard for God to show you someone who He wants you to sponsor...and then step up and talk to them about how they can get going on their Walk.

Our website, www.trwe.org offers all the tools you need to start your workout routine: on-line signups for the Prayer Vigils and for 4th Day Service, as well as Registration Forms that you can download and print.

While I'd hardly qualify as a personal trainer, if there's any way that I can be of help as you move forward with your new 4th Day regimen, just let me know (724-746-3410). De Colores!!

Mike Varner TRWE 4th Day Coordinator

Purchasing---Gifts of Agape

When one thinks of gifts of Agape, most thoughts turn to the weekend gifts that the pilgrims receive on the walk. However, our community provides more than that in the form of items needed behind the scenes. Things such as golf carts, worship book covers, toothpaste, personal items in the hostess baskets, blue tape for the windows, wooden hand crosses, banner stands, talk outlines, etc. These items and others are donated at little or no cost to the community, which helps keep costs down.

Unfortunately we do not have a written record of our "agape vendors" If you supply the community with items needed for the walks on a regular basis, please let me know at grkjenningotn@verizon.net. We know that you give, not for the glory, but for God's love and grace that is working through you. If you have any questions you may also call me at 412.580.0629.

E-DAY, August 11, 2012

JUST A REMINDER TO MARK YOUR

CALENDARS NOW FOR OUR ANNUAL EMMAUS EDUCATION DAY. IT WILL BE HELD AT THE FRESH AIR CAMP IN CRANBERRY. WE'LL ENJOY A

DELICIOUS PICNIC LUNCH, GREAT FELLOWSHIP AND TAKE A FASCINATING BEHIND THE SCENES "VIRTUAL TOUR" OF AN EMMAUS WEEKEND.

THE SOLE PURPOSE

One of the things I would like to do in my new position as Outreach Coordinator for the E-board, is to not only share the message of Emmaus with the outside world, but also with the community. I believe that we must better understand the hows and whys of our community.

If I asked you what the purpose of Emmaus is, I am sure I would get a lot of interesting answers. A closer walk with God, a mountaintop experience, learning more about Christianity would be some of the responses. All wonderful reasons but none is really the purpose of this movement. Let me share with you something from the Emmaus handbook, Chapter 15:

The sole purpose of the Emmaus Movement is to strengthen disciples within the ministry of individual congregations. Emmaus is in partnership with the church to inspire its leaders to become more effective and intentional in their ministry. Emmaus is neither competitive with nor a substitute for your own church.

Although The Walk to Emmaus is a unique and powerful instrument through which faithful people are renewed and inspired, it cannot provide the well-rounded programs such as education, evangelism, missions, and stewardship that are provided by an individual congregation. In short, Emmaus does not intend to become anyone's "new church." However, Emmaus does have a unique role in the life and ministry of the church in the church's task of nurturing strong committed disciples compassionately serving Christ in the world. The unique role of the Walk to Emmaus is spiritual renewal.

The benefit of the Emmaus Movement can be maximized and the problems minimized by staying focused on its purpose in relation to the church. Emmaus pilgrims who are eager for spiritual growth sometimes ask, "What's next after Emmaus?" The best and truest answer is, "Your church!" Emmaus is not simply another in a series of retreats for individuals. Rather, Emmaus is meant to be a means by which Christians reclaim their Christian heritage with enthusiasm and return to their churches with new vision and commitment. Emmaus comes from the church and Emmaus returns to the church. What follows is a potpourri of images, ideas, and suggestions for making the most of the relationship between Emmaus and the church.

The "sole purpose" language focuses in on the primary reason for the Walk's existence. Just as the "Ten Commandments" are not the "ten suggestions", our purpose is clear. Strengthening of the church is the foundation of the movement. When we sponsor, we should be able to articulate the purpose of the Walk to Emmaus.

We need not exclude the other parts of the experience from our invitation, but we must not overlook the foundation.

As a pastor I have seen great and positive changes in people that have come back to the congregation. Church renewal will change not only our congregations but our very world. Thanks for your time and if you have any questions for me or any board member, don't hesitate to get touch. "God's Blessings" Ernie DeLuca

“They began telling each other how their hearts had felt strangely warm as He talked with them....”

Luke 24:32

Do you remember your ride home from your Walk to Emmaus? What did you do in the car, over the next several days and possibly weeks? You probably told many people about how your heart had been warmed, maybe even without using words.

The committee for the 20th Anniversary Celebration of TRWE would like to put together a booklet of memories of those heart-warming experiences. Our goal is to print all of your stories and have the booklets available at the celebration dinner in September.

To help you get your thoughts together, look at the questions below. You need not answer all of them, just use them to jog your mind about the one memory of your TRWE experience that is most meaningful.

You might think you have lots of time to do this, but please don't wait. We need time to organize and get the printing done. We are ANTICIPATING a great response!!

WHAT IS YOUR FAVORITE EMMAUS MEMORY??

Is it from the time.....

you were a pilgrim?.....you first served on team?.....you first sponsored someone?

Is it something from....

a fourth day talk?

Is it a song that you sang for the first time...or one that challenged you?

Is it something from your Fourth Day?

Seeking Fun Facts for the 20th Anniversary Gala

On September 15th, our Community will be celebrating its 20th anniversary with a gala event. The evening will begin with a hospitality time featuring a trivia game. Teams of 4 will compete to correctly answer the most questions. One way you can help your team win is by submitting a fun fact to be one of the questions. Think about what happened on the walks you have been a part of; memorable events that occurred at gatherings; people who have made an impression on you. Which walk was the biggest? Who has been lay director more than once? Who was community lay director at our 10th anniversary gala? You get the idea.

Please submit one trivia question – with the answer – to Amy Dove at msamydove@aol.com. A committee will select 25 questions to include in the game. See you on September 15th and may the best team win!!

PRAYER CHAIN

If you have a prayer concern that you would like lifted in prayer or have other information that you want to share with the Community, please send the information to Rpratt2707@gmail.com.

SCHOLARSHIP DONATIONS

Dear TRWE Community:

Whether it has been a few months or a few years, you probably can recall fond memories from your walk. You may not get the walk number or the table name correct but you can recall an encounter with Christ, whether it was through the sharing of communion, the presenting of posters or skits, or the sharing of faith.

This experience is for anyone seeking a closer walk with Christ. Unfortunately, not everyone can afford to make the walk. This is where you can assist. TRWE has a scholarship fund that helps fill in that financial gap.

If you are able to make a donation, regardless of the amount (\$10, \$25, \$50), you would be helping someone experience a weekend to remember.

Please make checks payable to Three Rivers Walk to Emmaus and send it to TRWE Treasurer, c/o Sophie Park, 44 Ann Arbor Ave., Pittsburgh, PA 15229. Donations are tax deductible.

If you have any questions, you can email me at sophie.pittsburgh@gmail.com or call 412-761-7482.

DeColores, *Sophie Park* TRWE Treasurer

KAIROS OUTSIDE #3 ~ From Carla Rizzi, TRWE #46

Greetings everyone! It's hard to believe that Kairos Outside is already preparing for KO#3 after two very successful Weekends, and I'm blessed to be the Weekend Leader. So far, 65 Guests have experienced the love and acceptance of Jesus Christ as only a 3-day or 4-day weekend experience can deliver, thanks to the support and prayers of existing communities such as TRWE, Anglican 4th Day, Koinonia, Kairos Inside, and Catholic Cursillo. Together as one Body of Christ, with the Holy Spirit among us, many lives are changed and hearts are mended. The theme of KO#3 is from Colossians 3:12-17, in which we are assured that we are God's chosen people, dearly loved, and called to love one another. I chose to focus on the verse where we are instructed to "Let the peace of Christ rule in our hearts."

Please put the dates in your calendars to pray for us. The Weekend is June 22-24 at St. Paul of the Cross Retreat Center in Pittsburgh. Walking in Love (Candlelight) is at 8 PM that Saturday, June 23, and Closing is 2 PM June 24. If you feel led to serve on team (I need more men to run the kitchen), drive guests to or from the weekend, spend a few hours as a Day Angel or support the prayer vigil, please don't hesitate to email us at KOWesternPA@gmail.com.

You can also email me directly at rizgirl896@comcast.net. Our mailing address is: KOWPA, PO Box 343, Elizabeth, PA 15037. More later . . . God's Blessings!

Carla Rizzi

PS: Thanks – the love I've received throughout my Walk to Emmaus experiences has truly prepared me for this mission!
